Plant Swap

Friday, June 3

Spring Park, MN

NW Corner of Sunset and Shoreline Drive
(Parking lot across from Hennepin County Water Patrol)

6:00 PM to 7:30 PM

What is a Plant Swap?

No need to bring plants to attend this event. If you have plants to share - bring to give away. If you don't have plants to share or are just getting started in gardening, come and take plants! You never know what you will find at this event! This is a great way to recycle and reuse. If you have plants to share, pull up your vehicle and give away from your trunk.

Swap Etiquette

- Divide plants into smaller plants so there are more to go around
- **Label all plants** with a permanent marker, use popsicle sticks, write on plastic bags or recycle those pot tags from previous years and write on the back
 - Plant name, color and expected height
- Put plants in plastic bags, coffee cans, milk cartons, etc.
- Keep plants moist
- If invasive please indicate on the tag - some people want invasive plants for spreading on a hillside or areas hard to mow or where grass won't grow
- Anything for the garden, in the garden or about the garden will do!
 - ✻ gardening tools
 - ✻ pots (please clean)
 - ✻ houseplants
 - ✻ gardening books
 - ✻ seeds, bulbs
 - ✻ garden art, even gnomes

Come grow with us!
